Hometown: Fort Worth
Respondents: Michael Lee Estes and Mike Estes, PC
Certificate No.: 016842
Firm License No.: C04669
Rules Violations: 501.60, 501.61, 501.62, 501.74, 501.90(7)
Act Violations: 901.502(6), 901.502(9), 901.502(11)

On September 21, 2006, the Board ratified an Agreed Consent Order (ACO) placing respondents on a four-year probated suspension for issuing Public Housing Authority (PHA) audit engagements that failed to meet professional standards and for entering into a settlement agreement with Housing and Urban Development (HUD) that limited respondent Estes's ability to perform PHA audits.

Respondent Estes's actions constituted violations of the following Board Rules: 501.60 regarding generally accepted auditing standards; 501.61 regarding generally accepted accounting principles; 501.62 regarding other professional standards; 501.74 regarding competence; and 501.90(7) regarding a voluntary consent decree concerning the right to practice before a federal agency for a cause which, in the Board's opinion, warrants action. Respondent also violated these sections of the Act: 901.502(6) regarding a violation of the Rules of Professional Conduct; 901.502(9) regarding a voluntary consent decree concerning the right to practice before a federal agency for a cause which, in the Board's opinion, warrants action; and 901.502(11) regarding conduct indicating a lack of fitness to serve the public as a professional accountant.

The ACO contained a clause allowing for early termination of the probation if the Committee was satisfied that respondent had met all of his obligations under the ACO and had attained sufficient understanding of applicable professional standards to merit early termination. At its April 29, 2009, meeting, the Committee voted to recommend termination of probation, subject to Board approval.

Accordingly, the Board lost jurisdiction over the respondent. Subsequently, respondent was suspended from practicing before the Securities and Exchange Commission from March 11, 1997, until July 13, 2007.

D. AGREED CONSENT ORDER-SETTLEMENT AGREEMENT

Investigation No.: 02-01-16L
Hometown: Houston
Respondent: Michael Lowther
Certificate No.: 021723

Respondent had entered into an Agreed Consent Order with the Board whereby respondent's license was suspended for two years. The ACO was based upon a voluntary consent decree entered into between respondent and the Securities and Exchange Commission (SEC).

The SEC determined that the respondent was aware that the risk of fraudulent financial reporting at Enron was high. It further determined that in accordance with applicable professional standards that Andersen assessed the risk of fraud at Enron and that respondent Lowther should have known that Enron possessed

many of the risk factors that should be considered in making that assessment. The SEC ordered that respondent engaged in improper professional conduct pursuant to the SEC's Rules of Practice and denied him the privilege of appearing or practicing before the SEC as an accountant for at least two years.

This matter had been referred to the State Office of Administrative Hearings, but prior to a final adjudication, the respondent and staff agreed to the terms of the ACO.
