Fingerprinting Updates

More than 67,400 Texas CPAs have been fingerprinted and 1,203 total licensees still need to be fingerprinted, as of January 30, 2023. The Texas State Board of Public Accountancy has suspended over 700 licensees for failure to provide their fingerprints as required by the *Public Accountancy Act*. ■

CPA Evolution: Key Tentative Dates Announced

The CPA Exam is changing significantly in January 2024. Tentative application information and testing schedules for late 2023 and tentative testing and score release schedules for 2024 have been announced. Exam candidates should note that the last day of testing for all current CPA Exam sections (AUD, BEC, FAR and REG) is December 15, 2023.

Candidates wishing to take a section of the exam in the latter part of 2023 need to know that the Eligibility Application should be submitted to the Board no later than September 17, 2023 to allow time to pay the exam fee to NASBA, schedule the exam with Prometric, and take the exam before December 15, 2023, which is the last day for testing in the current CPA Exam format. Texas has a 90-day eligibility period and candidates will not have the full 90 days if they submit the Eligibility Application for a section of the exam after September 17, 2023.

The Board will take into consideration the blackout days beginning in 2024 when calculating the 90-day eligibility period for AUD, FAR, and REG and for the new disciplines – BAR, ISC, and TCP. ■

UNAUTHORIZED PRACTICE OF PUBLIC ACCOUNTANCY

Help Us Identify Unlicensed Individuals and Firms Offering Accounting Services

Over the last three years, the Board's Unauthorized Practice of Public Accountancy Program has identified more than **1,700** unlicensed individuals and firms claiming to be CPAs or offering accounting or attest services to the public.

Although this program has been very successful, we know that there continues to be false or misleading advertising. There are approximately 83,000 licensed CPAs in Texas who can help protect the public from individuals and firms misrepresenting their qualifications.

If you suspect websites, signage, business cards, letterheads, or other marketing materials that are false or misleading, you may report it by calling:

(512) 305-7853 or email:
